

# **BOWLS SURREY NEWSLETTER**

## **Issue 9/2022**

Well the 2022 outdoor season is over and all that remains are the numerous Club dinners and awards evenings. I hope you all have a lot of Trophies to collect. Now we start the long wait until our next outdoor season. Some of you will be playing indoors and some will go on holidays. Whatever you do this winter I hope you stay in touch with friends and stay safe and warm. Keep an eye on the websites for news throughout the closed season. Charlotte

Ok so there isn't much news to give out this month ... I will be sending out some information to the Secretaries and Delegates within the next week, so I have put below the results of Surrey's players at the National Finals. Sadly I don't have room to list all the games won so have listed the best round that the players got to.

However Surrey were represented up at Leamington by more than just players. Our Presidential Teams were also out in force, along with Executive Committee members, the Senior and Junior Team Managers, Family, Friends and Club Supporters. Surrey also had 2 Umpires who umpired and marked at the National Finals and even a couple of people who were part of the Bowls England Volunteer team.
