

BOWLS SURREY NEWSLETTER

Issue 12/2022

Hello everyone with the start of 2023 imminent we need to start thinking about our up coming outdoor season. So much happens in the 'off' season that makes the playing season run smoothly. I hope that you all had a lovely Christmas and that you all have a Healthy and Happy New Year. Charlotte

Secretaries - Please ensure that once your new club constitution has been passed at your AGM that you forward the new constitution to BowlsSurrey@gmail.com asap.

The Affiliation system will open on 1st Feb for you to affiliate all members for 2023.

Also please ensure that you update your new committee members in the system and that their email addresses are all entered correctly.

Could your club use an online **match system**? BS are allowing its member clubs to use our system for use within your club. This online system can help clubs of any size administer all their fixtures including matches and leagues. From player application through to 'ticking' that they have been picked. For more details and for a demonstration on what we can help with please contact John Tucker secretary@surreycountybowls.co.uk

County & National Competitions & Leamington Information.

After the last newsletter Bowls England did open their National Comps for entries.

They also issued their updated rules and regulations which clearly state that at the National Finals anyone who is in multiple events will have to use substitutes if necessary. They also have issued time limits for matches played at Leamington. Before you enter any County or National Competitions that lead to Leamington I would recommend reading all the information posted on their website.

If your club needs an umpire for any events that you are hosting please contact the new EBUA County Co-Ordinator Charlotte Emanuel at SurreyUmpires@gmail.com

I will be taking over from the start of the outdoor Season 2023 and will be responsible for all the umpire and marker needs within Surrey outdoors and indoors from May 2023.

If you are considering becoming an umpire or a marker please contact me at the same email address.

The new Bowls Surrey website will be going live this month.

Keep checking online from about 21st January.

BowlsSurrey.co.uk
