

BOWLS SURREY NEWSLETTER

Issue 06/2024

Hello Everyone. Wow where did June go? I'm not sure about you but I still haven't worked out what to take when I leave the house. At the moment it is sun cream, waterproofs and thermals. I hope that what ever it is that you are playing in that you are having fun and enjoying your season.

I look forward to seeing you on the greens - Charlotte BS Communications Officer

A note from the BS Administrator

As you all know, I am retiring as Administrator of Bowls Surrey and it is vitally important we find someone to take over from me. It is not onerous and you make of it as you will. You will be the conduit for queries from Bowls England and passing information on to the relevant members. You will also be responsible for the minutes of the AGM and arranging it. I will always be on hand to help and advise if necessary but I have no intention of staying on and the time has come for someone else to take up the reins. Please give some thought to this very important role. I am happy to answer any question so please do not hesitate to contact me - Sheron Mitchell

Congratulations to the mens Home Counties squad who have won all 3 of their matches and have qualified for the FINAL on 13th July at Egham BC 2pm. Please come along and support

Competition News

The County competitions are getting to the QF and SF stages this month. Please come along and support all of the players who reach this stage. All details are in the calendars on the website

CONGRATULATIONS to Dennis Knight from Woodbridge Hill BC who reached the magic age of 100 this month

Middleton Cup

The Squad have put themselves in a very good position. They finished top of their group after 4 games. Hampshire need to beat IOW by over 80 shots and get all 22 points on 6th July in order to stop Surrey from qualifying for the National QFs.

Johns Trophy

Sadly the Johns lost a game so may not qualify for the QF's. However anything is possible and they still have one game to play on 6th July @ Cambridge Park.

Walker Cup

The squad won their first game and went to the Regional Finals where they beat Sussex and then went on to beat Kent. They are now in the National Semi Finals which will be played at Leamington during the National Finals

Balcomb Trophy

The squad won their first game and went to the Regional Finals where sadly they just lost to Kent.

Congratulations to the Camberley Mens Senior 4's who made it to the British Isles Championships FINAL this week. Gary Clark, Martin Sampson, Simon Greenwood & David McCallum

What an achievement

This County needs more qualified Umpires and Markers. Please contact me if you are interested.

VOLUNTEERS

Every Club, Association and County needs them. Surrey is no different. Please consider helping out. We need the following; a Chandler, a Development Officer, an Administrator, a womens Vice President for 2025, a mens Vice President for 2026
