Issue 10/2024

Well, the clocks have gone back and its getting dark really early! Now is the time for the clubs to work hard getting ready for next year. The work never stops! Clubs need YOU! Your club AGMs will be happening and all clubs need Committee members. Please consider helping. Charlotte BS Communications Officer

BOWLS SURREY NEEDS VOLUNTEERS

This is the last time of asking before the AGM. We need the following: Ladies Vice President, BS Board Chair, BS Board Administrator, BS Development Officer, BS Competition Co-ordinator, Chandler.

Its time to start thinking about your 2025 outdoor competition season. If you have never played in the County or National Competitions or if you haven't played for a few years why not think about going in them next year. With **new competitions** being introduced along with the usual Championships it is the right time to give it a go. Why not take your new and upcoming members in or encourage them to enter the Unbadged or the new 'Novice' Pairs.

There are vacancies on the following
Safeguarding course:-
Sunday 3rd November
Witchmore Hill Bowling Club, Middlesex. 10am-2pm. Contact the BDA to enrol
